County elections getting all fancy. Really gonna miss The Gateway Pundit rolling in and trying to listen in on legitimate reporter conversations/intimidate public officials.

pa County will require an official Press Pass for members of the press to enter s and/or cover events related to the 2022 General Election. Because of logistic curity considerations, it is impossible to give the public and media limitless acc ers of the Board of Supervisors, the County Recorder and election experts for e s press conferences and availabilities.

I don't understand the rhyme or reason for this?

Is suppressing the press. How are they selecting who gets credentials? Are they drawing names?

By doing this, you're asking for trouble. You look guilty before one vote is cast. I guess you have to do what you have to do.

Funny how S Richter+ Supervisors(opportunistic RINOS \$\$\$) are members of Rep. Accountability Project ( RAP ) run by anti Trump activists...also funny is the smug antics from Soros funded Jen Fifeild. Most telling is ban of gateway pundit who report on their blatant LIES.  
Amazing
